

## Charges for the Fund

The charges you pay are used to pay the costs of running the Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest	
Entry charge	None
Exit charge	3.00%. This will only be charged in order to prevent excessive and disruptive trading practices.
This is the maximum that might be taken out of your money before the proceeds of your investment are paid out.	
Charges taken from the Fund over a year	
Ongoing charge	1.03%
Charges taken from the Fund under certain specific conditions	
Performance fee	None

The **entry** and **exit** charges shown are maximum figures. In some cases you might pay less. You can find out the actual entry and exit charges of the Fund from your financial advisor or distributor.

The **ongoing charges** figures shown here is an estimate of the charges as there is insufficient historical data. This figure may vary from year to year and the Fund's annual report for each financial year will include details on the exact charges made. It excludes all portfolio transaction charges and performance fees.

**For more information about charges, please see the section entitled "Fees and Expenses" in the Company's Prospectus and Fund Supplement (which are available at [www.polencapital.com](http://www.polencapital.com)).**
